

Haverhill Firefighting Museum Programming Information Sheet

Hello! Thank you so much for your interest in our outreach programming! Our programs are tailored to be brought to your school, daycare, community center, etc.

Every program includes an age-appropriate lesson and a hands-on activity!

Cost and Scheduling

- The cost for these programs is \$10 per person. ***IMPORTANT NOTE!: The Dalmatian History program has an additional cost of \$5, this is so every child gets a stuffed Dalmatian to take home with them after the activity.***
- All of our programs can be adjusted to fit your group's specific needs.
- 1 program can be chosen per visit.
- Tuesdays through Fridays from November to May.

To Book...

Important Note...

While I do have childcare experience, please do not leave me alone with your group! As I teach and lead the lesson, I still need your help to make sure everyone stays on task.
